The Banking Information Contact is a person in the organization who the Foundation can contact to obtain or confirm bank account information for grant payments. The person in this role will be assigned a login and receive email alerts when the Foundation requires bank account information to be added, confirmed or updated.

The **Banking Information Contact** is a key contact for the Organization. Please ensure that the name and email address for this role is up-to-date, as this person is responsible for adding and confirming bank information for grant payments. The **Banking Information Contact** will receive an email alert when bank information requires reconfirmation for the organization. Please see the [Confirming Bank Information](#) guide for more details.

*Please only enter information into fields that require changes. Please review your work as you will not be able to make further changes. After selecting **Save**, click the **Submit Requested Changes for Review** button to send for Foundation review. The Foundation will process the request within five business days.*

To update your own contact information in Fluxx, navigate to the **People > My Contact Information** section. Click **Edit** in the top right corner to enter your changes.
